## **Needed items:**

Here is a list of some of the big items we need to launch The Mission.

Lets face it. You may have some of this stuff sitting in a storage locker that you could mail us and nobody would know (just kidding . . . kind of). We are piecing together new and used equipment to get this urban ministry off the ground. God has really blessed us with a mixture of donated used equipment, great deals on other used equipment, and the promise that the rest will come.

Would you be willing to see if there is anything that you may have that could meet a need? You can also make a tax deductible gift to The Mission to provide toward our equipment needs.

Music is a huge part of what we are doing so we really have to have that right before we launch.

And as always, your prayers are appreciated. Seriously, look over the list and if nothing else please pray that the needs will be met.
